| What's in Your Boiler Room?

### BOILERS

COPPER FIN \* CAST IRON \* BENT TUBE \* WATERTUBE \*  
FIRETUBE \* CONDENSING \* TUBELESS \* VERTICAL  
FIRETUBE \* SCOTCH AND FIREBOX

### BURNERS

NATURAL GAS \* OIL \* WASTE OIL \* PROPANE  
METHANE \* MULTI FUEL \* LOW NOX \* DIGESTER  
UL \* FM \* IRI \* CSD-1

### WATER HEATERS

DIRECT FIRED \* INDIRECT FIRED \* NON-FIRED  
FACTORY PACKAGED \* STEAM \* TANK TYPE \*  
HIGH EFFICIENCY CONDENSING \* INSTANTANEOUS

### STORAGE TANKS

GLASS, DOUBLE GLASS, CEMENT, OR EPOXY LINED  
VERTICAL \* HORIZONTAL \* DOMESTIC \* BUFFER  
CUSTOM CONFIGURATIONS UP TO 10,000 GALLONS

### VENT & COMBUSTION AIR

MODULATING CHIMNEY AND COMBUSTION AIR  
AUTO CLOTHES DRYING SYSTEMS \* FIREPLACE FANS  
MODULATING DRAFT LIMITING SYSTEMS

### STACKS & ECONOMIZERS

POSITIVE PRESSURE CATEGORY III CHIMNEY SYSTEMS  
AL29 CATEGORY IV CHIMNEY \* GREASE DUCT \* STACK  
SILENCERS \* HIGH EFFICIENCY ECONOMIZERS

### HEATING & VENTILATING

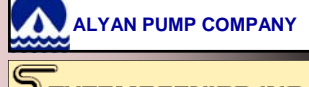

DIRECT AND INDIRECT FIRED AIR HANDLERS  
GAS UNIT HEATERS \* MODULATING INFRARED  
AIR ROTATION \* CUSTOM PLANT AIR MANAGEMENT

### HEAT TRANSFER

SHELL & TUBE HEAT EXCHANGERS \* HEAT RECOVERY  
WATER AND STEAM INSTANEOUS \* STEAM INJECTION  
CUSTOM HIGH PRESSURE STEAM HEATERS

### ACCESSORIES

EXPANSION TANKS \* FEED SYSTEMS \* DEAERATORS  
CONDENSATE TANKS \* PUMPS \* AIR SEPARATORS  
SURGE TANKS \* CONTROLS \* O2 TRIM PACKAGES  
TRIPLE DUTY VALVES \* SUCTION DIFFUSERS

#### Solutions:

We have all the answers! We know what works and we know when it won't. Our application experts can provide every type of boiler and all of the ancillary equipment to go with it. We tackle your challenges by directly representing the world's best solution products, such as Exhausto, Kentube, and Rapid Engineering. If you want to design it right, RME is the right rep for you!

#### Support:

We don't just SELL you a product, we see your solution all the way through. With a full *in-house* technical department, you can rest assured your product will receive expert support. All of our tech's are factory trained, certified, or authorized on every product we provide.

#### Services:

Worried what will happen when things go down in the middle of the night? Worry no more! In addition to an expert service staff, RME offers an industry leading web site with technical data, manuals, wiring diagrams, and more. All available 24 / 7! Need more confidence? How about extending your warranty up to 5 years from start up. We also offer an exclusive *Combustioncare Systems Program™* that is sure to keep your equipment running efficiently for years and years!
